PROFILE

I create websites using HTML, SCSS, and jQuery, following the BEM methodology. I am skilled in building responsive layouts using either a mobile-first or desktop-first approach. Additionally, I incorporate modern CSS animations to enhance user experience, ensuring that my websites are visually appealing and meet current design standards.

PORTFOLIO

[Lending page Createx-Marathon](#)
(HTML, CSS, SCSS, Js, JQuery, CSS animation)

EMPLOYMENT HISTORY

Currently seeking my first professional opportunity in web development.
